Member Feedback Form 2025

If you wish to get uninterrupted supply of this journal please sign this form, put it in the self addressed envelope provided and post it to us.

This journal is being sent to you every quarter because you are a member of Common Cause. As you know, the cost of bringing out a journal and its distributior is prohibitive. It has also been brought to our notice that many of our members are no longer there or have shifted houses. This amounts to a wastage of time, effort and money for an organization which runs on your donations. It will also help us immensely in reducing costs if you start reading the journal online.

In order to avoid wasteful expenditure, we are launching this verification campaign. If you are the one receiving this copy, we would request you to please take out a few minutes to tick the appropriate boxes below so that we are able to serve you better.
