O R D E R

We find that the issue of use of electric vehicles is connected to several other issues which are pending before the Court. All these issues which pertain to the source of power of vehicles, public and private, eventually have a great impact on the environment not only of the NCR region but also the country as a whole. We consider it appropriate that all these issues be considered simultaneously and with the assistance of an

authority empowered to take decisions. We would specifically like the parties to assist us on following points :

i) procurement of electric vehicles;

ii) providing charging ports;

iii) feebate system, i.e, imposing fee on vehicles with high emissions and providing a subsidy on electric vehicles;

iv) use of hydrogen vehicles;

v) any other alternate means of power for vehicles;

vi) overall impact on import and environment.

List on 31.03.2020 as a first item on board.
